## UCISA-NG Seminar on IT and Estates – working together

Wednesday 29 February 2012  
IET Birmingham (Austin Court)

Booking open online at <http://www.ucisa.ac.uk/groups/ng/Events/2012/workingwithestates.aspx>

An opportunity for a colleague or yourself to attend a one day event focusing on working partnerships with IT, Estates, Facilities Management and Learning Spaces groups within the education sector.

It is a perfect opportunity to take a look at the innovation and challenges with this working relationship and to reflect on the benefits improved collaboration can bring to your organisation.

Topics will cover areas through: cabling, telephony, BMS, CCTV, Door Access, energy savings and learning space development.

**Member rate £105   Non-member rate £165**
