UCISA24 Sponsorship packages brief

Building on the hugely successful Leadership Conference with UCISA23 last year, for UCISA24 we will be focusing on inspiring and enabling outstanding leadership in IT.

The HE and FE Sectors continue to operate in a challenging period of sustained change. As a result, the need to seek out best practice from both within and outside the sector – as well as the best products and services – has never been greater, to ensure our community has the agility and creativity needed to meet the challenges of tomorrow.

UCISA24 will attract around 300 senior IT staff from across 100 HE and FE institutions. As in previous years delegates will primarily be CIOs, Directors and Deputy/Assistant Directors for IT, and other senior managers with responsibility for either the whole or large parts of the Digital Service delivery in their institutions.

You will appreciate that the services these delegates oversee are extensive, including; network and telephony; business systems; virtual learning environments; student computing; teaching & learning technologies; eLearning; communication & collaboration suites; portals; service desks; and statutory and legislative requirements – to name but a few! They play a major role in their institution's strategy and have procurement and purchasing responsibilities.

The Conference Programme will include a range of high quality, stimulating speakers on a wide variety of topics, as well as University and Partner Case Studies.

Rather than theming our focus for this year's sponsored sessions, we are taking on board your feedback, and that of our delegates by inviting companies to demonstrate their approach to any key topic currently circulating the sector. These could include, but are not limited to:

- Learning analytics
- Cybersecurity
- Using AI solutions in any part of the student journey
- Improving digital literacy
- Transforming the student learning experience
- Leveraging the cloud to reduce risks and improve agility
- Using AR and VR in teaching
- Managing the risks of GDPR
- Diversity and Inclusion
- Developing the workforce of the future

We would suggest that your presentation focuses on what your services, software or solutions may offer in support of these challenges, or any others you might identify.

Our members – your potential customers – have indicated that the most effective and best received presentations are those given in conjunction with an institution that has implemented or is currently implementing one of your solutions. So, to ensure you achieve maximum benefit from your case study, please ensure that your presentation is customer-led and benefits-focused. To this end we would ask that you inform us, when you submit your sponsor proposal, which institution you are partnering with for your keynote/case study.

Please be aware that past feedback has clearly indicated that a direct sales pitch is likely to turn off your audience and leave you languishing behind your peers!

The deadline for sponsor proposals is Friday 10 November 2023.

2. The period of hire commences from the time of delivery to the person destination or site indicated on the order form from the hirer or where ordered on the telephone by the instructions of the person placing the order. This shall continue until the furnishings (comprising of furniture, carpet and modular) are accepted back by the company. RISK OF LOSS OR DAMAGE will be on the part of the hirer throughout the period of the hire until collected or delivered back to our premises.
3. The hirer shall rent the furnishings at the rates quoted by the company or any subsequently increased rate in force at the commencement of the hire period. The company reserves the right at any time without notice to increase charges (particularly where there is a change in the value of the pound sterling). The hirer undertakes to fully insure all furnishings for the hire period plus at least 3 days prior and 1 day after the conclusion of the event for a sum of not less than five times the hire price.
4. The hirer shall provide at the specified destination a duly authorised representative to accept the furnishings and to give a written receipt. If the hirer fails to provide for this the company shall issue a delivery note to the hirer as conclusive proof of time and delivery by the company.
5. The company rents furnishings in good order and condition. The receipt signed by the representative of the hirer or in the absence of such a receipt the company's delivery note shall be conclusive evidence of such good order and condition unless at the time of delivery or within 24 hours the hirer shall notify any defect to the company by telephone or fax whereupon all responsible efforts will be made to rectify the problem. The hirer undertakes to take care to avoid damage or theft of hired items and to take all reasonable steps to keep and return the furnishings to the company in first class condition. If items of furniture are broken, damaged or lost then the hirer is liable to repair or replacement costs as agreed between Europa International and the hirer. NOTE: - We reserve the right to upgrade or change any item that is out of stock.
6. The company will endeavour to effect delivery of hired furnishings at the time indicated by the hirer but will not under any circumstances be liable for any delay in delivery caused by circumstances beyond the company's control. Liability for any delay in any case will be limited to the refund of any hire charges already paid by the hirer relating to periods of non-delivery or late delivery.
7. Instructions of the hirer (different from those on the requisition) cannot be carried out unless given in writing to the company 7 days prior to action required and accepted by the company in writing. The company shall not be liable for any failure to perform its obligations under this Agreement due to circumstances beyond the parties' reasonable control including, but not limited to, acts of God, war, government regulations, disaster, disease, pandemics, epidemics, quarantine restrictions, terrorist actions, strikes, civil disorders, curtailment of transportation facilities or other emergencies that make it illegal or impossible for a party to perform its obligations under this Agreement. At the discretion of the company a charge of not less than 25% may be made on all orders cancelled prior to delivery. For on-site cancellations where delivered correctly NO refund will be issued.
8. If the hirer fails to make available for collection the furnishings at the end of the hire period the hirer shall be liable to pay loss of hire charge at a pro-rata rate until such time as the furnishings are returned to the company or notifies the company by recorded delivery of the loss of furnishings.
9. The hirer will be expected to empty all lockable items of their property at the close of show. The company can not be held responsible for goods left in said items and removed to effect collection.
10. The furnishings shall remain the property of the company and the hirer shall at all times keep the furnishings in their possession and free from any lien charge or other encumbrance whatsoever. The period of hire shall cease forthwith in the event that any winding up procedures (compulsory or voluntary) are commenced in respect of the hirers business or if any receiver trustee or liquidator is appointed of the hirers business or of any substantial part of its assets.
11. CARPETS & TILES. - All skirting to platforms must be removed to allow carpet to be fitted over the edge.
